**Learn ways to build community and resolve conflicts peacefully.**

**HELP INCREASE THE PEACE PROGRAM has proven to be effective in helping youths reduce violence and increase safety for themselves and those around them. This Basic Workshop will provide the tools for more effective interactions as well as preparing participants to become facilitators if they go on to further workshops.**

In HIPP we learn:

- ❖ To be inclusive, accepting and respecting all people.
- ❖ To understand root **causes** of prejudice, hate, abuse and violence.
- ❖ To demonstrate the behaviors that promote peace.
- ❖ To model attitudes **and** behaviors that promote mutual respect and peace.
- ❖ To communicate effectively, listening actively with empathy.
- ❖ To resolve conflict nonviolently.
- ❖ Ways to build trust between individuals and groups of people.
- ❖ To cooperate and collaborate to find creative solutions to problems.
- ❖ To express appreciation for differences, positive contributions, words and action.
- ❖ To recognize and address social and economic injustices.
